You will see college students in your classes who may not be dressed as per our standards. Although you will be attending college classes, you are also a Judson ISD JECA high school student.

“IF IN DOUBT, DO NOT WEAR IT!”

We are preparing our students for the world of work where they will be expected to dress appropriately. We are not just giving students an education, but also preparing them for life.

The way we dress affects the way we think, the way we feel, the way we act, and the way others react to us.
